## ABOUT EECOCOOL HOME APPLIANCES

Our organization is widely engaged in manufacturing and trading of a unique range of Home appliances that are manufactured by extreme grade of raw material which is sourced from our reliable & Quality-driven vendors for high durability. We supply these Home appliances in various markets of north Bharat. Our main focus is to be a leading appliance producer throughout the Bharat. Our large Infrastructure is completely equipped with units of manufacturing and trading.

## WHY EECOCOOL AIR COOLERS

Today, when the air pollution levels are breaking records every day, the home is our only safe haven. therefore, we must ensure that the indoor air remains pure and healthy.

This is why, eecocool Air cooler are designed to give you not just a cool breeze, but the air that is fresh and healthy. unlike other air-cooling devices, these coolers ensure fresh air ventilation and not just the circulation of the same air. With high technologies like Honeycomb for efficient water retention and super Aerofan technology for the strongest air throw, eecocool Air Coolers make summer time truly blissful.

## RANGE AS DIVERSE AS YOUR PREFERENCES

As the summers step in, we all crave that cool and fresh breeze from an air cooler While the basic function remains the same, different customers have unique preferences

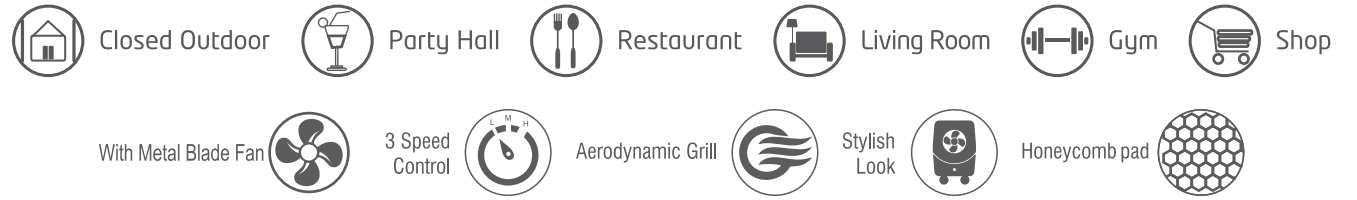

when it comes to air coolers eecocool is a one stop solution for your air cooling needs. We have a complete range of air coolers of all size, shapes, capacities, and features. Whichever cooler you choose, it's an eecocool promise that your home will be filled with cool, fresh and healthy air the moment you push that switch on.
